# Vision and Hearing Screenings

The McHenry County Department of Health is currently offering certified vision and hearing screening services for all interested schools, pre-schools and daycare centers. Our certified screeners will gladly make arrangements to come to your facility and perform the required DCFS and State of Illinois screenings in an efficient and professional manner. Required referrals and follow-ups are also provided.

## Regulations

DCFS licensing requires compliance with State of Illinois regulations that state that all pre-school children, three years and older, must be screened for vision and hearing problems.

## Cost per Student

Vision Screening.....\$4.00\*

Hearing Screening.....\$4.00\*

PreK.....No Charge

\*July 1st, 2018 price increase

Vision Screening.....\$7.00

Hearing Screening.....\$7.00

## Please note

McHenry County Department of Health is unable to provide screening services for children who wear corrective lenses and/or hearing aids or are under the age of three.
